Safe Routes to School Task Force Meeting

June 11, 2026

SRTS Task Force's Objectives

The SRTS Task Force is a space to share information and ideas, engage the community, partner on events and activities, and support schools and school districts in the implementation of the strategy

- **Roles**
  - Define and collaborate on objectives, goals, and milestones for the Menlo Park SRTS program
  - Help organize or support different tasks and activities
  - Be a liaison to share information and market the program to your school community

SRTS Contact Information

1) Introductions, School Updates, and Priorities

Introductions, School Updates, and Priorities

- **Introduce** yourself with your name and your agency/organization
- **Share** school updates and priorities
  - Ongoing or current education and encouragement
  - Priorities related to school travel and transportation safety
  - SRTS Champions at your school
  - Your school's SRTS opportunities, needs, and more
  - **Highlights from Bike Month in May?**

2) SRTS Program Updates

SRTS Program Updates

California Highway Patrol and Menlo Park Police Department Bike Rodeo (May 2, 2026)

- Bike Mobile provided free bike repairs and maintenance to 23 bikes
- The SRTS program distributed helmets and other incentives to community members

SRTS Program Updates

The City of Menlo Park and Las Lomitas Elementary School will continue to collaborate this summer through the San Mateo County Office of Education (SMCOE) School Travel Fellowship (STF)

- The STF team is designing a traffic garden for Las Lomitas Elementary School
- A traffic garden is a child-sized, car-free streetscape featuring stop signs, crosswalks, and mini-intersections – many of the same features that children will encounter on city streets
- This traffic garden will be used during PE bike education and will also be publicly accessible during off-school hours
- Anticipated completion in late summer 2026

SRTS Program Updates

Materials to be released later this month

- Updated Walk & Roll Maps for:
  - Belle Haven Elementary
  - Laurel School – Lower Campus
  - Laurel School – Upper Campus
  - Oak Knoll Elementary
- 2025-2026 Safe Routes to School Program Annual Report

4) Traffic and Safety Updates

5) City Project Updates

City Project Updates

- Coleman Avenue Pilot Project to be presented to the Complete Streets Commission in late summer for review and feedback
- Coleman Avenue Pilot Project to be presented to City Council in early fall for direction on Pilot next steps
- Intersection improvements is on track to begin construction this and next month for Sharon Rd/Eastridge Ave and Oak Ave/Oak Knoll Ln
- Slurry and striping improvements to Bay Rd and Pierce Rd to be completed in summer

- Subscribe to the City's weekly Construction News updates to stay updated on construction work

Thank you!

- Have a great summer! We'll see you in the fall!

- Any questions?
