

STAFF REPORT

City Council

Meeting Date:

2/24/2026

Staff Report Number:

26-030-CC

Informational Item:

City Council agenda topics: March 2026

Recommendation

The purpose of this informational item is to provide the City Council and members of the public access to the anticipated agenda items that will be presented to the City Council. The Mayor and city manager set the City Council agenda so there is no action required of the City Council as a result of this informational item.

Policy Issues

In accordance with the City Council procedures manual, the Mayor and city manager set the agenda for City Council meetings.

Analysis

In an effort to provide greater access to the City Council's future agenda items, staff has compiled a list of anticipated agenda items for the March 10 and 24 City Council meetings (Attachment A). The topics are arranged by department to help identify the work group most impacted by the agenda item.

In addition, the City Council will hold the annual priority-setting workshop Saturday, March 21, from 10 a.m. to 2 p.m. More information is available on the workshop webpage, including an online feedback form for community input on priorities (Attachment B).

Specific dates are not provided in the attachment due to a number of factors that influence the City Council agenda preparation process. In their agenda management, the Mayor and city manager strive to compile an agenda that is most responsive to the City Council's adopted priorities and work plan while also balancing the business needs of the organization. Certain agenda items, such as appeals or State mandated reporting, must be scheduled by a certain date to ensure compliance. In addition, the meeting agendas are managed to allow the greatest opportunity for public input while also allowing the meeting to conclude around 11 p.m. Every effort is made to avoid scheduling two matters that may be contentious to allow the City Council sufficient time to fully discuss the matter before the City Council.

Public Notice

Public notification was achieved by posting the agenda, with the agenda items being listed, at least 72 hours prior to the meeting.
