

STATEMENT OF QUALIFICATIONS FOR
MENLO PARK CITY COUNCIL
DISTRICT 4

Charlotte Reed

Designation: Communications Professional and Singer

I'm running for Menlo Park City Council to keep what we love while mending what's broken. My career in public relations and music have taught me two things: make complicated things clear and listen to the people beside you. Here's how I will do just that.

We all feel shut out of the decisions shaping our city's future. I've hosted standing office hours and knocked on over 2,000 doors because I believe access to information in a democracy is essential. I will ensure you have a voice at Menlo Park City Hall.

We all deserve a life of dignity and happiness. I'll build more homes so seniors shut out of housing waitlists don't get displaced and your children can come home to Menlo Park. I support building housing downtown while respecting your right to vote on it. We must keep our Housing Element compliant to retain local control. I won't let the state build a supertower downtown. I'll champion public safety and a vibrant downtown that supports our 200+ small businesses.

Menlo Park leaders trust my experience and vision for our city. My endorsements include all seven sitting members of the Menlo Park Planning Commission, Menlo Park Vice-Mayor Jennifer Wise, Menlo Park Fire Protection District Vice-President Rob Silano, Menlo Park City School District Trustee Francesca Segrè, and more.
