|---|---|---|---------------------|
| | Automated Meter Infrastructure (AMI) Project: The AMI project will upgrade all water meters for Menlo Park Municipal Water (MPMW) customers. These new meters will record and transmit accurate, hourly data in near real-time. For more information, visit menlopark.gov/ami | No traffic impact at this time. Meter replacement will require temporary water service interruption (no more than one hour). Due to the age of the water system, leaks may occur during meter replacement which may cause prolonged water outages. The water department will contact affected customers directly. | |
| 2 | Owner: City of Menlo Park City Project Engineer: Scott Jaw (650) 330-6694 Contractor: Concord Utility Services Garry Pesavento – Project Manager (951) 757-2597 | | |
