When you elected me to the City Council, I promised to put residents first. I've kept that promise. I proved that our neighborhoods had been overlooked, then fixed it. The result is an updated Willow Oaks Park with a new playground, basketball court, dog park, and bike paths, the kind of place my wife, kids, and I use every week. Safer streets with new crosswalks, speed feedback signs, and protected left turns. Nearly \$1 million secured to rebuild Bay Road. A safer school route on Coleman Avenue. An empathetic resolution to RV encampments behind Lorelei Manor.

I brought back gymnastics and community events, from the Summer Concert Series to the Fourth of July celebration. I led in making public safety a city priority, and delivered balanced budgets. I promise transparency, and you'll know where I stand. I hold Saturday office hours and explain major votes in a newsletter.

I'll continue to govern with compassion, common sense, and proven leadership that has delivered results, while staying focused on safe neighborhoods, community programs, and fiscal responsibility. I appreciate your confidence and humbly ask for your vote. Endorsed by Congressman Sam Liccardo, Supervisor Ray Mueller, and 7 former Menlo Park Mayors. [www.drewcombs.com](http://www.drewcombs.com)
